

You're in Control Always.

Manage your debit card security and spending anytime, anywhere.

Your Card, Your Rules

Take charge of your debit card with advanced card controls.

Instant Protection

Instantly turn your card on or off if it's lost, stolen, or being misused.

Real-Time Alerts

Get notified the moment your BankNorth debit card is used.

Spending Controls

Set spending limits and prevent purchases that don't match your preferences.

Set Up in Seconds

Adding advanced card controls through your BankNorth App is easy.

Just follow the instructions below.

1. Tap "Accounts" in your app dashboard.
2. Choose an account.
3. Go to "Card Management."
4. Choose a card.
5. Tap "Alerts & Protection."
6. Choose the controls you want to apply to your debit card.
