

Skip the Manual Card Entry

You can now add your eligible BankNorth debit card directly from the mobile banking app to Apple Wallet® or Google Wallet™ using the Add to Wallet feature.

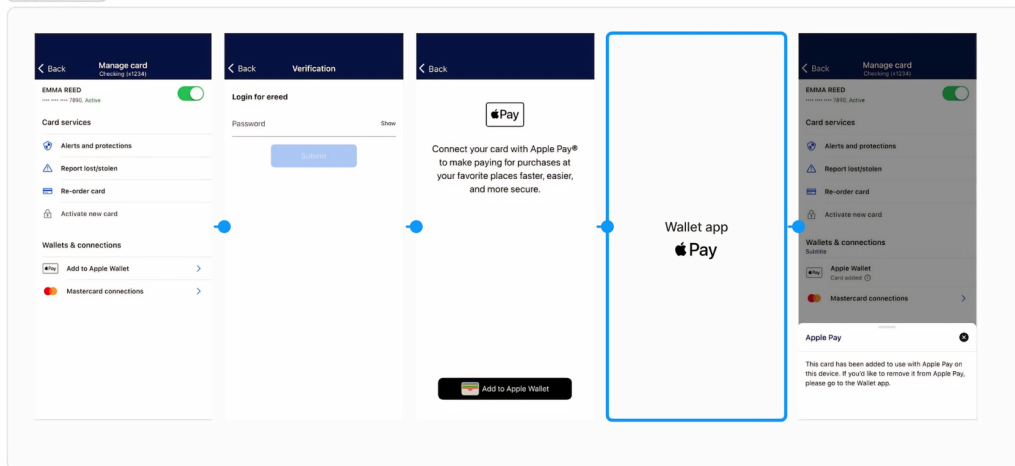

Key Benefits:

1. Use eligible cards immediately, even before receiving or activating the physical card
2. No manual card entry required
3. Faster setup of digital wallets
4. Enhanced security through tokenization

How to Add Your Card

1. Open the BankNorth Mobile Banking app and navigate to Card Management.
2. Select the debit card you would like to add to your digital wallet.
3. Tap Add to Wallet.
4. Follow the prompts to add your card to Apple Wallet® or Google Wallet™.
5. Your card is ready to use for contactless, online, and in-app purchases.
